WELCOME

Welcome to the 38TH annual All California Young People in AA Round-Up in San Diego, CA. We have developed an exciting program for you this year that is inclusive of young people from all over the State of California. It has been our pleasure to serve you this year. We hope that you will find most of what you hoped for and everything you need this year to recharge your batteries for another year of recovery, 12-step work, and service to one another in and outside of AA. If this is your first ACYPAA, get ready for an overwhelming experience. There may be much going on that is new to you even if you have been in AA for a little while. Feel free to talk to anyone on the host committee if you are feeling a little lost or unsure of what to do with yourself. Just like all of us needed a warm welcome to our first AA meeting, many of us need a warm welcome for our first ACYPAA.

ALCOHOLICS ANONYMOUS PREAMBLE

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety. Reprinted with permission of The A.A. Grapevine, Inc.

REGISTRATION

If you have this program you have likely registered for the Round-up. If you see anyone who has not registered please direct them to the registration table. It is incredibly important for future ACYPAA Round-ups to get accurate attendance numbers from us and we can not do this without people checking in.

WELCOME

A.A. ANONYMITY / PRESS MEDIA

There may be some here who are not familiar with our Tradition of personal anonymity at the public level.

“Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, television and films.”

A.A. Tradition 11

Thus, we respectfully ask that A.A. speakers and A.A. members not be photographed, videotaped or identified by full name on audiotapes and in published or broadcast reports of our meetings, including those reports on new media technologies such as the Internet. The assurance of anonymity is essential in our efforts to help other problem drinkers who may wish to share our recovery program with us. And our Tradition of anonymity reminds us that “A.A. principles come before personalities.”

At some time during the Round-up you may be approached by the media. Be friendly and accommodating. Ask them if they have spoken to our Public Information Chairman. If they have not please escort them to the registration table for assistance. We would like to provide you with assistance with the press. If you are approached or have concerns please address them at the registration desk or with any host committee member. Thank you!

PRESS ROOM

On Friday February 12TH, the press room will be open from 8:00^{AM} - 7:00^{PM}. If you are with the press or the media please check-in first in the press room, Garden Salon One, and see the ACYPAA Public Information Chair, Paul C.
