

ACYPAA Live Session Recording Disclaimer:

ACYPAA may record live sessions, video presentations, testimonials and other events related to our annual Roundup and general business. These recordings are important to our organization and our community as a way to connect us, provide support, and further our mission of carrying the AA message to anyone who may benefit from it.

The recordings may be used by ACYPAA for the following purposes:

- To be played at ACYPAA future events;
- To be shared on our website;
- To be saved for our business/archives; and
- For any other purpose that is related to our mission (<https://www.acypaa.org/facts>).

We may also transcribe the recording(s) and use the text as described above.

Recordings and transcriptions may be anonymized for a participant's privacy, safety, or upon written request to ACYPAA. Recordings and transcriptions may be edited for content, language, or length in ACYPAA's discretion. ACYPAA reserves the right to credit participants who are recorded or whose recordings are transcribed and used by the organization. Participants will not be compensated for the same.

Please contact: webmaster@acypaa.org if you have any questions or concerns regarding our practices around recording ACYPAA events, including the annual Roundup.
