A Common Solution

31ST ACYPAA

Round-UP

@ Sheraton Pasadena

"The feeling of having shared in a common peril is one element in the powerful cement which binds us. But that in itself would never have held us together as we are now joined.

The tremendous fact for every one of us is that we have discovered A COMMON SOLUTION. We have a way out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action."

2003

Pasadena, CA

ACYPAA 2003 Welcome

We hope you enjoy the 31st ACYPAA Round-Up in the City of Roses.

"The feeling of having shared in a common peril is one element in the powerful cement which binds us. But that in itself would never have held us together as we are now joined. The tremendous fact for every one of us is that we have discovered **a common solution**. We have a way out on which we can absolutely agree, and upon which we can join in brotherly and harmonious action." (p.17, Big Book of Alcoholics Anonymous)

Welcome to the 31st Annual All California Young People in Alcoholics Anonymous Round-Up. We of the Host Committee are looking forward to a weekend filled with unity, service, and recovery. Join with us to stay sober and help carry the message of recovery to those in need.

Sincerely,
The 31st ACYPAA Host Committee

Why do I have to pay for ACYPAA registration?

There are many AA round-ups/conferences held around the world, and one of the most common misconceptions of these gatherings is that they are AA meetings. And since, "there are no dues or fees for AA membership..." there should be no fees to attend. Conventions are special events, not regular meetings.

They require months of planning, preparation, and money to present. Since this event is held in a hotel/convention center/church, there are charges for use of these facilities. Along with these charges the hotel will require the group to purchase coffee and food. A large event requires a substantial amount of money.

This conference is self-supporting. The cost of the event is paid for through the registration fees. There are no baskets passed.

The ideal of any committee for such an event is to break even; therefore, the registration cost is nominal compared to a weekend's worth of entertainment anywhere else. Attendance is voluntary, and as responsible AA members, we "pay our own way."

I am responsible...

When anyone, anywhere, reaches out for help. I want the hand of AA to always be there. And for that: I am responsible.

A Declaration of Unity

This we owe to AA's future; to place our common welfare first; to keep our fellowship united. For on AA unity depend our lives, and the lives of those to come.

Security

We came here to carry the message of AA. Let us have a fun and safe weekend filled with YPAA love and fellowship. Destructiveness and vandalism are not necessary to enjoy ourselves in sobriety. Remember we represent the AA fellowship as a whole. Improper behavior is demeaning not only to us, but to all of Alcoholics Anonymous. We want to preserve the ACYPAA reputation. We, the ACYPAA Host Committee, have decided to use a 'zero tolerance' policy towards those who act inappropriately.

If you see any problems concerning this round up, please help us out by getting in touch with ACYPAA security or hotel security.

Smoking

Smoking is allowed only outside the hotel in *designated areas*. Please be responsible and use the ashtrays provided.

Hospitality

The Hospitality Room is located in the Cypress Room, and will be open 24 hours a day, starting Friday @ noon, and ending Sunday @ noon.

Twelve Steps

Page 59 in the 4th edition of the Big Book of Alcoholics Anonymous

- 1.** We admitted we were powerless over alcohol—that our lives had become unmanageable.
- 2.** Came to believe that a power greater than ourselves could restore us to sanity.
- 3.** Made a decision to turn our will and our lives over to the care of God as we understand Him.
- 4.** Made a searching and fearless moral inventory of ourselves.
- 5.** Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
- 6.** Were entirely ready to have God remove all these defects of character.
- 7.** Humbly asked Him to remove our shortcomings.
- 8.** Made a list of all persons we had harmed and became willing to make amends to them all.
- 9.** Made direct amends to such people wherever possible, except when to do so would injure them or others.
- 10.** Continued to take personal inventory and when we were wrong promptly admitted it.
- 11.** Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
- 12.** Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

Twelve Traditions

Page 562 in the 4th edition of the Big Book of Alcoholics Anonymous

1. Our common welfare should come first; personal recovery depends upon AA unity.
2. For our group purpose there is but one ultimate authority--a loving God as He may express Himself in our conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
 5. Each group has but one primary purpose--to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name out never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

A Note for YPAA Bidding Groups

Come into the Redwood and Aspen rooms on Friday starting at

If you don't see your city represented in this room, or if you have a
desire to strengthen the fellowship of Young People in AA in your
area, come and see other groups' bid packages and find out what
you need to start a group in your area.

Anonymity Statement

There may be some here who are not familiar with our tradition of
personal anonymity at the public level:

*"Our public relations policy is based on attraction rather than
promotion; we need always maintain personal anonymity at the
level of press, radio, and films."*

Thus, we respectfully ask that no AA speaker - or indeed any AA
member - be identified by full name or photographed in published or
broadcast reports of our meetings. The assurance of anonymity is
essential in our efforts to help other alcoholics who may wish to
share our recovery program with us.

Twelve Bidding Requirements

Bidding will take place from 8am - ? in Convention Center Rm. 211

1. The Roundup can be held during the months of January, February, or March, with the preference being in February.
2. Three AA members, but not limited to three, must represent the bidding group.
3. The Bidding Committee must have commitments from at least two (2) meeting facilities (usually hotels), including dates showing availability of banquet and speaking rooms in the facilities. Beverage, banquet, and lodging price estimates are to be included in the bid and should be considered when choosing potential sites.
4. Arrangements for uniformed professional security coverage at the Roundup site will be provided by the bid committee's arrangement for a licensed security agency. The description and estimated cost for the security coverage must be included in the bid.
5. The bid committee is to provide a permanent mailing address for the Roundup in the form of a Post Office Box.
6. Two statements of support, one from the local AA Intergroup or regional equivalent and one from the Area Assembly and/or District, are to be included in the bid package.
7. The bid committee will be required to demonstrate its financial capabilities within the Traditions of AA as a whole, being directly involved in any activity from which revenues are generated.
8. The bid committee will provide a list of all large scale AA events in their area within a sixty day period before and a thirty day period after the proposed Roundup date.
9. The new Host City must agree that all proceeds, after expenses and donations to local service structures, are to be turned over to the ACYPAA Advisory Council for distribution. The Host City is permitted to donate up to 20% of the proceeds to their local service structure.
10. Bidding committees are to provide complete copies of their bids to the Advisory Council Chairperson by 3:00 PM the Friday of the Roundup, but no bids will be rejected.
11. The bid committee must provide a concise statement illustrating the need, as they understand it, for the Roundup in their area.
12. Each committee will be given a maximum limit of 20 minutes for the presentation of the Bid Requirements..

Facts, Aims and Purposes

courtesy of ACYPAA Advisory Council

Alcoholism has no barriers, age included. Young people suffering from alcoholism have turned to Alcoholics Anonymous and found help there since AA's earliest days. In 1945, one of the first young people's groups in Alcoholics Anonymous was formed in Los Angeles to help carry the message of recovery to young people in AA.

The number of young people suffering from alcoholism, who turn to AA for help, continues to grow. At the 1960 AA convention, Bill W. noted the age of new members to be much lower in 1960 than when he and Dr. Bob founded AA 25 years earlier. The 1998 AA Membership survey reported 11% of the respondents under 30 years of age and 2% under 21 years of age.

The aim of young people's groups is to help newcomers understand that they need not experience years of drinking, loss of family, friends, and finances to be ready for sobriety. They help bring the newcomers into the mainstream of AA Recovery, Unity, and Service through the 12 Steps, 12 Traditions, and the 12 Concepts for World Service by carrying AA's message to the suffering alcoholic.

Young People's groups are in no way separate from Alcoholics Anonymous as a whole. Members are involved in and committed to Twelfth Step work, Hospital and Institution work, Public Information, General Service, and every other facet of AA Service. Newcomers are shown by people their own age that using AA principles in their daily lives and getting involved in AA Service can lead to a lasting and comfortable sobriety.

The purpose of young people's groups is to carry the Alcoholics Anonymous message to alcoholics no matter what their age.

In 1973, the All California Young People in Alcoholics Anonymous Roundup was established as an annual gathering in California to provide an opportunity for young AA's to come together and share their experience, strength, and hope.

Facts, Aims and Purposes

continued from previous page

ACYPAA is visible evidence that large numbers of people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. AA's who attend an ACYPAA Roundup return home better prepared to receive young alcoholics who come to AA seeking recovery.

The ACYPAA Roundup is held anywhere in California where young people's groups can demonstrate: 1) the need for an activity like this to stimulate greater involvement and participation by young people in their area; 2) the ability of their group to function responsibly within the principles of Alcoholics Anonymous; and 3) the ability of the group to host a Roundup representative of the diversity of California young people in Alcoholics Anonymous. The ACYPAA Advisory Council selects the site for future ACYPAA Roundups from groups that present formal bids and it has been established as the custodian of the Roundups experience.

If you are a young person in AA where there are few other young people, or if you are a member of a young people's group that is not as active as it might be, it is hoped that you will find encouragement in this message. There are others, like you, who are staying sober in AA and trying to carry AA's message to alcoholics who still suffer, especially young people. If you have questions or experience to share about young people's groups in AA or the All California Young People in Alcoholics Anonymous Roundup, please write:
