Group Profile:

In 1973, the All California Young People in Alcoholics Anonymous Roundup was established as an annual gathering in California to provide a setting for an annual celebration of sobriety among young people in Alcoholics Anonymous. The weekend consists of panels, workshops, dances, activities, and speaker meetings where recovering alcoholics can share their experiences about getting and staying sober. The Conference is funded solely by the registration fees of the attendees (typically between \$15-\$40).
