ACYPAA XIVII

LOS ANGELES, CA

Welcome to ACYPAA XLVII!!

Freedom!

"This was freedom! Freedom from anger and fear, freedom to know happiness, and freedom to know love."

pg 206

Welcome to the 47th annual ACYPAA in beautiful Los Angeles, California! Warm greetings to all first time and returning attendees, bidding committees, and sister conferences - we're so happy to see you all! It has been twelve years since ACYPAA has been in this city and we have worked very hard to put together this year's program for you all to enjoy. Our inclusive program includes individuals of all ages, ethnicities, and genders; members from all over the state (and beyond); current and past delegates from the General Service Conference; and even a past Pacific Region Trustee. It has been our pleasure to serve you this year. We hope that you will have an amazing time. Hosting ACYPAA has ignited a fire for recovery, service, and unity in all of us that extends beyond the walls of our meeting rooms and hope it can do the same for you. If this is your first ACYPAA, get ready for a life changing spiritual experience! There will be a lot going on this weekend that might be new to you, even if you have been in this program for a while. Please feel free to talk to anyone on the host committee if you are feeling overwhelmed or overjoyed. You can always find us at registration or spot us wearing a blue "host" shirt.

*With Love & Service,

FREEDOM!

Facts, Aims, and Purpose

Alcoholism has no barriers, age included. Young people suffering from alcoholism have turned to Alcoholics Anonymous and found help there since AA's earliest days. In 1945, one of the first young people's groups in Alcoholics Anonymous was formed in Los Angeles to help carry the message of recovery to young people in AA.

The number of young people suffering from alcoholism, who turn to AA for help, continues to grow. At the 1960 AA convention, Bill W. noted the age of new members to be much lower in 1960 than when he and Dr. Bob founded AA 25 years earlier. The 2011 AA Membership survey reported 11% of the respondents under 30 years of age and 2% under 21 years of age.

The aim of young people's groups is to help newcomers understand that they need not experience years of drinking, loss of family, friends, and finances to be ready for sobriety. They help bring the newcomers into the mainstream of AA Recovery, Unity, and Service through the 12 Steps, 12 Traditions, and the 12 Concepts for World Service by carrying AA's message to the suffering alcoholic.

Young People's groups are in no way separate from Alcoholics Anonymous as a whole. Members are involved in and committed to Twelfth Step work, Hospital and Institution work, Public Information, General Service, and every other facet of AA Service. Newcomers are shown by people their own age that using AA principles in their daily lives and getting involved in AA Service can lead to a lasting and comfortable sobriety.

The purpose of young people's groups is to carry the Alcoholics Anonymous message to alcoholics no matter what their age.

In 1973, the All California Young People in Alcoholics Anonymous Roundup was established as an annual gathering in California to provide an opportunity for young AA's to come together and share their experience, strength, and hope. ACYPAA is visible evidence that large numbers of people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. AA's who attend an ACYPAA Roundup return home better prepared to receive young alcoholics who come to AA seeking recovery.

The ACYPAA Roundup is held anywhere in California where young people's groups can demonstrate: 1) the need for an activity like this to stimulate greater involvement and participation by young people in their area; 2) the ability of their group to function responsibly within the principles of Alcoholics Anonymous; and 3) the ability of the group to host a Roundup representative of the diversity of California young people in Alcoholics Anonymous. The ACYPAA Advisory Council selects the site for future ACYPAA Roundups from groups that present formal bids and it has been established as the custodian of the Roundups experience.

If you are a young person in AA where there are few other young people, or if you are a member of a young people's group that is not as active as it might be, it is hoped that you will find encouragement in this message. There are others, like you, who are staying sober in AA and trying to carry AA's message to alcoholics who still suffer, especially young people. If you have questions or experience to share about young people's groups in AA or the All California Young People in Alcoholics Anonymous Roundup, please contact: www.acypaa.org.

FREEDOM!

The Twelve Steps

1. We admitted we were powerless over alcohol- that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves , and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character..
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God *as we understood Him* praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual experience as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

The Twelve Traditions

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority - a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose - to carry it's message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
