WELCOME TO ACYPAA XIX

THE EFFECT WAS...
Visalia, CA - March 24-27, 2020

Welcome to the 49th annual All California Young People in Alcoholics Anonymous Roundup! We are thrilled to welcome you to the gorgeous city of Visalia, California. It has been nine years since ACYPAA has been in the Central Valley and this is the first time the Roundup has ever been in Visalia! We are so excited to welcome those new to YPAA Roundups and those for whom ACYPAA is a yearly staple. No matter how many times you've been to ACYPAA or how long you have been sober, we know that you will have an experience the likes of which you have never had with us this weekend.

At this ACYPAA Roundup, we want to offer hope for all AA members, especially those who are struggling. We have been in your shoes, and we want you to know that you are not alone. There is a solution! Join us as we celebrate the miracle of the program that is Alcoholics Anonymous. We hope that for all who attend, this Roundup will serve as a catalyst in bringing the spirit of AA to your homegroup and local area. Get ready for a life changing spiritual experience!

Our committee has the distinct honor of serving as ACYPAA Host for two years due to the unprecedented global pandemic. We cannot explain how glad we are to finally be able to see the reality of our hard work and to provide a venue for unity, fellowship, and recovery. Hosting ACYPAA has given us the opportunity to give back what we have been freely given- a life beyond our wildest dreams!

In Love and Service,

Ceci ~ ACYPAA 49 Chair

ACYPAA 49

FACTS, AIMS, AND PURPOSE

Alcoholism has no barriers, age included. Young people suffering from alcoholism have turned to Alcoholics Anonymous and found help there since AA's earliest days. In 1945, one of the first young people's groups in Alcoholics Anonymous was formed in Los Angeles to help carry the message of recovery to young people in AA.

The number of young people suffering from alcoholism, who turn to AA for help, continues to grow. At the 1960 AA convention, Bill W. noted the age of new members to be much lower in 1960 than when he and Dr. Bob founded AA 25 years earlier. The 2011 AA Membership survey reported 11% of the respondents under 30 years of age and 2% under 21 years of age.

The aim of young people's groups is to help newcomers understand that they need not experience years of drinking, loss of family, friends, and finances to be ready for sobriety. They help bring the newcomers into the mainstream of AA Recovery, Unity, and Service through the 12 Steps, 12 Traditions, and the 12 Concepts for World Service by carrying AA's message to the suffering alcoholic.

Young People's groups are in no way separate from Alcoholics Anonymous as a whole. Members are involved in and committed to Twelfth Step work, Hospital and Institution work, Public Information, General Service, and every other facet of AA Service. Newcomers are shown by people their own age that using AA principles in their daily lives and getting involved in AA Service can lead to a lasting and comfortable sobriety.

The purpose of young people's groups is to carry the Alcoholics Anonymous message to alcoholics no matter what their age.

In 1973, the All California Young People in Alcoholics Anonymous Roundup was established as an annual gathering in California to provide an opportunity for young AA's to come together and share their experience, strength, and hope. ACYPAA is visible evidence that large numbers of people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. AA's who attend an ACYPAA Roundup return home better prepared to receive young alcoholics who come to AA seeking recovery.

The ACYPAA Roundup is held anywhere in California where young people's groups can demonstrate: 1) the need for an activity like this to stimulate greater involvement and participation by young people in their area; 2) the ability of their group to function responsibly within the principles of Alcoholics Anonymous; and 3) the ability of the group to host a Roundup representative of the diversity of California young people in Alcoholics Anonymous. The ACYPAA Advisory Council selects the site for future ACYPAA Roundups from groups that present formal bids and it has been established as the custodian of the Roundups experience.

If you are a young person in AA where there are few other young people, or if you are a member of a young people's group that is not as active as it might be, it is hoped that you will find encouragement in this message. There are others, like you, who are staying sober in AA and trying to carry AA's message to alcoholics who still suffer, especially young people. If you have questions or experience to share about young people's groups in AA or the All California Young People in Alcoholics Anonymous Roundup, please contact: www.acypaa.org.

INFORMATION

SAFETY STATEMENT

As your host committee, we have done everything in our power to ensure that this is the best round-up possible. We would like for all attendees to feel physically, sexually, emotionally, and spiritually safe. We ask that everyone who attends helps to provide a safe environment this weekend. We want all members, both new and old to feel supported in their personal growth. Our primary purpose is to carry the message to the alcoholic who still suffers. Be mindful and remember that love and tolerance of others is our code. ACYPAA has a code of conduct that can be found online at our website that outlines how we deal with various situations if they are to occur. If at any point this weekend you feel unsafe in any capacity, find someone who is wearing a lime green host committee shirt. We will handle whatever you come to us with tact and sound reasoning to respect both your anonymity and AA as a whole. Thank you for joining us for a weekend of fellowship, adventure, and recovery.

ANONYMITY STATEMENT

According to General Service, A.A. members may disclose their identity and speak as recovered alcoholics, giving radio, TV, and Internet interviews, without violating the traditions – so long as their A.A. membership is not revealed.

When using digital media, A.A. members are responsible for their own anonymity and that of others. When we post, blog, or text, we should assume that we are publishing at the public level. When we break our anonymity in these forums, we may inadvertently break the anonymity of others.

Please think of this throughout your wonderful ACYPAA 49 weekend.

Please request consent from everyone in your picture before posting a photo on social media. Other members in attendance may not want it broadcasted that they are members of AA or are attending the ACYPAA Roundup. Thank you!

THE TWELVE STEPS

Visalia, CA - March 24-27, 2022

1. We admitted we were powerless over alcohol — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

TWELVE TRADITIONS

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
